4 March 2022

Dear Ms Metcalfe

Audit Completion Report – Year ended 31 March 2021

We are pleased to present our Audit Completion Report for the year ended 31 March 2021. The purpose of this document is to summarise our audit conclusions.

The scope of our work, including identified significant audit risks and other areas of management judgement, was outlined in our Audit Strategy Memorandum which we presented on 16 March 2021. We have reviewed our Audit Strategy Memorandum and concluded that the original significant audit risks and other areas of management judgement remain appropriate.

We would like to express our thanks for the assistance of your team during our audit.

If you would like to discuss any matters in more detail then please do not hesitate to contact me on 0191 383 6321.

Yours faithfully

Gavin Barker

Section 01:

Executive summary

1. Executive summary

Principal conclusions and significant findings

The detailed scope of our work as your appointed auditor for 2020/21 is set out in the National Audit Office's (NAO) Code of Audit Practice. Our responsibilities and powers are derived from the Local Audit and Accountability Act 2014 and, as outlined in our Audit Strategy Memorandum, our audit has been conducted in accordance with International Standards on Auditing (UK) and means we focus on audit risks that we have assessed as resulting in a higher risk of material misstatement.

In section 4 of this report we have set out our conclusions and significant findings from our audit. This section includes our conclusions on the audit risks and areas of management judgement in our Audit Strategy Memorandum, which include:

- Management override of controls;
- Net defined benefit liability valuation; and
- Valuation of property, plant and equipment.

Section 5 sets out internal control recommendations and section 6 sets out audit misstatements; there are no unadjusted misstatements. Section 7 outlines our work on the Authority's arrangements to achieve economy, efficiency and effectiveness in its use of resources.

Status and audit opinion

We have substantially completed our audit in respect of the financial statements for the year ended 31 March 2021.

At the time of preparing this report, matters remaining outstanding as outlined in section 2. We will provide an update to you in relation to the matters outstanding through issuance of a follow up letter.

Subject to the satisfactory conclusion of the remaining audit work, we expect to report the following conclusions:

Audit opinion

We anticipate issuing an unqualified opinion, without modification, on the financial statements. Our proposed audit opinion is included in the draft auditor's report in Appendix B.

Value for Money

We anticipate having no significant weaknesses in arrangements to report in relation to the arrangements that the Authority has in place to secure economy, efficiency and effectiveness in its use of resources. Further detail on our Value for Money work is provided in section 7 of this report.

Whole of Government Accounts (WGA)

We have not yet received group instructions from the National Audit Office in respect of our work on the Authority's WGA submission. We are unable to commence our work in this area until such instructions have been received.

Wider powers

The 2014 Act requires us to give an elector, or any representative of the elector, the opportunity to question us about the accounting records of the Authority and to consider any objection made to the accounts. We have received no objections or questions from local electors.

02

Section 02:

Status of the audit

2. Status of the audit

Our work is substantially complete and there are currently no matters of which we are aware that would require modification of our audit opinion, subject to the outstanding matters detailed below.

Audit area	Status	Description of the outstanding matters
Creditors		Awaiting evidence in respect of 3 creditor balances
Firefighters Pension Fund		Our testing remains in progress on pensions payable.
Final version of the Annual Report and Annual Governance Statement		We will review the final versions of the Annual Report and Annual Governance Statement.
Closing procedures		Our audit work is subject to the final stages of review by the Engagement Lead and further quality and compliance checks. In addition, there are residual procedures to complete, including updating post balance sheet event considerations to the point of issuing the opinion, agreeing any final changes to the financial statements and obtaining final management representations.
Whole of Government Accounts		Completion of audit procedures supporting the WGA return to the NAO. We are unable to issue the Audit Certificate until this work has been completed.

-  Likely to result in material adjustment or significant change to disclosures within the financial statements.
-  Potential to result in material adjustment or significant change to disclosures within the financial statements.
-  Not considered likely to result in material adjustment or change to disclosures within the financial statements.

We will provide the Independent Audit Committee with an update in relation to these outstanding matters in a follow-up letter, prior to signing the auditor’s report.

03

Section 03: **Audit approach**

3. Audit approach

Changes to our audit approach

We provided details of our intended audit approach in our Audit Strategy Memorandum in March 2021. We have not made any changes to our audit approach since we presented our Audit Strategy Memorandum.

Materiality

Our provisional materiality at the planning stage of the audit was set at £1.018m using a benchmark of 2% of gross revenue expenditure. Our final assessment of materiality, based on the final financial statements and qualitative factors, is £0.981m using the same benchmark.

Use of experts

As detailed in our Audit Strategy Memorandum, management makes use of experts in specific areas when preparing the financial statements. We also use experts to assist us to obtain sufficient appropriate audit evidence on specific items of account. There are no changes to our or management's use of experts:

Item of account	Management's expert	Our expert
Defined benefit liability	Government Actuary's Department (FFPS) and AON (LGPS).	NAO's Consulting Actuary (PWC)
Property, plant and equipment valuation	Carter Jonas	

Service organisations

International Auditing Standards (UK) (ISAs) define service organisations as third party organisations that provide services to the Authority that are part of its information systems relevant to financial reporting. We are required to obtain an understanding of the services provided by service organisations as well as evaluating the design and implementation of controls over those services. The table below summarises the service organisations used by the Authority and our audit approach.

Items of account	Service organisation	Audit approach
Provision and maintenance of the general ledger system (including accounts payable and receivable). Treasury management (investments)	North Yorkshire County Council	We have full access to systems therefore no additional procedures are required.
Payment of pension lump sums and monthly pension payroll to retirees under the fire pension schemes	West Yorkshire Pension Fund	Walkthrough of transactions as part of planning work, and substantive testing of financial statements. There is sufficient information to allow testing of fire pensions to be undertaken at the Authority

04

Section 04: **Significant findings**

4. Significant findings

In this section we outline the significant findings from our audit. These findings include:

- our audit conclusions regarding other significant risks and key areas of management judgement outlined in the Audit Strategy Memorandum;
- our comments in respect of the accounting policies and disclosures that you have adopted in the financial statements. On page 14 we have concluded whether the financial statements have been prepared in accordance with the financial reporting framework and commented on any significant accounting policy changes that have been made during the year; and
- any significant difficulties we experienced during the audit.

Significant risks

Management override of controls	Description of the risk
	<p>This is a mandatory significant risk on all audits due to the unpredictable way in which such override could occur.</p>
	<p>Management at various levels within an organisation are in a unique position to perpetrate fraud because of their ability to manipulate accounting records and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively. Due to the unpredictable way in which such override could occur there is a risk of material misstatement due to fraud on all audits.</p>
	<p>How we addressed this risk</p>
	<p>We addressed this risk through performing audit work over:</p>
	<ul style="list-style-type: none"> • Accounting estimates impacting amounts included in the financial statements; • Journals recorded in the general ledger and other adjustments made in the preparation of the financial statements; and • Consideration of identified significant transactions outside the normal course of business.
	<p>Audit conclusion</p>
	<p>Our audit work has provided the assurance we sought and has not identified any material issues to bring to your attention. There is no indication of management override of controls.</p>

4. Significant findings

Net defined benefit liability valuation

Description of the risk

The financial statements contain material pension entries in respect of retirement benefits. The calculation of these pension figures, both assets and liabilities, can be subject to significant volatility and includes estimates based upon a complex interaction of actuarial assumptions. This results in an increased risk of material misstatement.

How we addressed this risk

We have addressed this risk by:

- Discussing with key contacts any significant changes to the pension estimates;
- Evaluating the managements controls you have in place to assess the reasonableness of the figures provided by the Actuary;
- Considered the Actuary’s output, referring to an expert’s report on all actuaries nationally;
- Reviewed the appropriateness of key assumptions included within the valuations, comparing them to expected ranges and reviewing the methodology applied to the valuation.
- Considering the adequacy of the disclosures in the financial statements; and
- Liaising with the auditors of North Yorkshire Pension Fund to gain assurance that the controls in place at the Pension Fund have been designed and implemented appropriately. This included the processes and controls in place to ensure data provided to the Actuary by the Pension Fund for the purposes of the IAS 19 valuation is complete and accurate.

Audit conclusion

Our work on the valuation of the Authority’s net pension liability is complete and there are no issues to report.

4. Significant findings

Valuation of property, plant and equipment

Description of the risk

The financial statements contain material entries on the Balance Sheet as well as material disclosure notes in relation to the Authority's land and buildings. Although the Authority uses a valuation expert to provide information on valuations, there remains a high degree of estimation uncertainty associated with the revaluation of land and buildings due to the significant judgements and number of variables involved in providing revaluations. We have therefore identified the valuation of land and buildings to be an area of significant risk.

How we addressed this risk

We addressed this risk by:

- Considering the Authority's arrangements for ensuring that PPE values are reasonable;
- Considering corroborative evidence to assess the reasonableness of the valuations provided by the Authority's valuer;
- Assessed the competence, skills and experience of the valuer;
- We reviewed the valuation methodology for assets revalued in year, including testing underlying data and assumptions;
- We compared the valuation output with market intelligence, to gain assurance that the valuations are in line with market expectations;
- We reviewed the approach adopted by the Authority to address the risk that assets not valued in 2020/21 are materially misstated and considered the robustness of this approach in light of the valuation information reported by the Authority's valuers; and
- We considered the movement in market indices between revaluation dates and the year end to determine whether this indicated that fair values have moved materially over time.

Audit conclusion

Our audit work has provided the assurance we sought and has not identified any material issues to bring to your attention.

4. Significant findings

Qualitative aspects of the Authority's accounting practices

We have reviewed the Authority's accounting policies and disclosures and concluded they comply with the 2020/21 Code of Practice on Local Authority Accounting, appropriately tailored to the Authority's circumstances.

Draft accounts were received from the Authority on 28 July 2021 and were of a good quality.

Significant difficulties during the audit

During the course of the audit we did not encounter any significant difficulties and we have had the full co-operation of management.

Wider responsibilities

Our powers and responsibilities under the 2014 Act are broad and include the ability to:

- issue a report in the public interest;
- make statutory recommendations that must be considered and responded to publicly;
- apply to the court for a declaration that an item of account is contrary to law; and
- issue an advisory notice under schedule 8 of the 2014 Act.

We have not exercised any of these powers as part of our 2020/21 audit.

The 2014 Act also gives rights to local electors and other parties, such as the right to ask questions of the auditor and the right to make an objection to an item of account.

No such objections have been raised.

05

Section 05:

Internal control recommendations

5. Internal control recommendations

The purpose of our audit was to express an opinion on the financial statements. As part of our audit we have considered the internal controls in place relevant to the preparation of the financial statements in order to design audit procedures to allow us to express an opinion on the financial statements but not for the purpose of expressing an opinion on the effectiveness of internal control or to identify any significant deficiencies in their design or operation.

The matters reported are limited to those deficiencies and other control recommendations that we have identified during our normal audit procedures and that we consider to be of sufficient importance to merit being reported. If we had performed more extensive procedures on internal control we might have identified more deficiencies to be reported or concluded that some of the reported deficiencies need not in fact have been reported. Our comments should not be regarded as a comprehensive record of all deficiencies that may exist or improvements that could be made.

Our findings and recommendations are set out below. We have assigned priority rankings to each of them to reflect the importance that we consider each poses to your organisation and, hence, our recommendation in terms of the urgency of required action. In summary, the matters arising fall into the following categories:

Priority ranking	Description	Number of issues
1 (high)	In our view, there is potential for financial loss, damage to reputation or loss of information. This may have implications for the achievement of business strategic objectives. The recommendation should be taken into consideration by management immediately.	-
2 (medium)	In our view, there is a need to strengthen internal control or enhance business efficiency. The recommendations should be actioned in the near future.	-
3 (low)	In our view, internal control should be strengthened in these additional areas when practicable.	1

5. Internal control recommendations

Other recommendations in internal control – Level 3

Description of deficiency

Our IT audit work identified that of the 25 IT incidents tested 3 had not been closed in a timely manner.

Potential effects

Incidents and problems are not detected, analysed or solved on a timely basis and therefore affect the confidentiality, integrity and availability of information

Recommendation

In order to ensure data integrity and availability as well as the normal functioning of programs and infrastructure, we recommend ensuring all incidents are timely analysed and solved.

For monitoring purposes, we recommend implementing a regular review for all opened incidents in order to ensure appropriate follow-up actions are taken in a timely manner.

Management response

Follow up on previous internal control points

There are no previous internal control points to follow up on.

06

Section 06:

Summary of misstatements

6. Summary of misstatements

This section outlines the misstatements identified during the course of the audit, above the trivial threshold for adjustment of £29k.

There were no misstatements, either adjusted or unadjusted, identified during the course of the audit, other than minor disclosure amendments, which have been made by management.

07

Section 07:

Value for Money

7. Value for Money

Approach to Value for Money

We are required to consider whether the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. The NAO issues guidance to auditors that underpins the work we are required to carry out and sets out the reporting criteria that we are required to consider. The reporting criteria are:

- **Financial sustainability** - How the Authority plans and manages its resources to ensure it can continue to deliver its services
- **Governance** - How the Authority ensures that it makes informed decisions and properly manages its risks
- **Improving economy, efficiency and effectiveness** - How the Authority uses information about its costs and performance to improve the way it manages and delivers its services

At the planning stage of the audit, we undertake work to understand the arrangements that the Authority has in place under each of the reporting criteria and we identify risks of significant weaknesses in those arrangements. Although we describe this work as planning work, we keep our understanding of arrangements under review and update our risk assessment throughout the audit to reflect emerging issues that may suggest significant weaknesses in arrangements exist.

Where our risk-based procedures identify actual significant weaknesses in arrangements we are required to report these and make recommendations for improvement. Where such significant weaknesses are identified, we report these in the audit report.

The primary output of our work on the Authority's arrangements is the commentary on those arrangements that forms part of the Auditor's Annual Report. We intend to issue the Auditor's Annual Report within three months of our opinion on the financial statements.

Status of our work

We are yet to complete our work in respect of the Authority's arrangements for the year ended 31 March 2021. At the time of preparing this report, we have not identified any significant weaknesses in arrangements that require us to make a recommendation, however we continue to undertake work on the Authority's arrangements.

Our draft audit report at Appendix B outlines that we have not yet completed our work in relation to the Authority's arrangements. As noted above, our commentary on the Authority's arrangements will be provided in the Auditor's Annual Report within three months of our opinion on the financial statements.

March 2022

North Yorkshire Police, Fire and Crime Commissioner Fire and Rescue Authority - audit for year ended 31 March 2021

This representation letter is provided in connection with your audit of the financial statements of North Yorkshire Police, Fire and Crime Commissioner Fire and Rescue Authority for the year ended 31 March 2021 for the purpose of expressing an opinion as to whether the statement of accounts give a true and fair view in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21 (the Code).

I confirm that the following representations are made on the basis of enquiries of management and staff with relevant knowledge and experience (and, where appropriate, inspection of supporting documentation) sufficient to satisfy myself that I can properly make each of the following representations to you.

My responsibility for the statement of accounts and accounting information

I believe that I have fulfilled my responsibilities for the true and fair presentation and preparation of the statement of accounts in accordance with the Code.

My responsibility to provide and disclose relevant information

I have provided you with:

access to all information of which I am aware that is relevant to the preparation of the statement of accounts such as records, documentation and other material;

additional information that you have requested from me for the purpose of the audit; and

unrestricted access to individuals within the Authority you determined it was necessary to contact in order to obtain audit evidence.

I confirm as Chief Finance Officer that I have taken all the necessary steps to make me aware of any relevant audit information and to establish that you, as auditors, are aware of this information. As far as I am aware there is no relevant audit information of which you, as auditors, are unaware.

Appendix A: Draft management representation letter

Accounting records

I confirm that all transactions have been recorded in the accounting records and are reflected in the financial statements. All other records and related information, including minutes of all Authority and Committee meetings, have been made available to you.

Accounting policies

I confirm that I have reviewed the accounting policies applied during the year in accordance with the Code and International Accounting Standard 8 and consider them appropriate for the year.

Accounting estimates, including those measured at fair value

I confirm that any significant assumptions used in making accounting estimates, including those measured at fair value, are reasonable.

Contingencies

There are no material contingent losses including pending or potential litigation that should be accrued where:
information presently available indicates that it is probable that an asset has been impaired or a liability had been incurred at the balance sheet date; and
the amount of the loss can be reasonably estimated..

There are no material contingent losses that should be disclosed where, although either or both the conditions specified above are not met, there is a reasonable possibility that a loss, or a loss greater than that accrued, may have been incurred at the balance sheet date. There are no contingent gains which should be disclosed.

All material matters, including unasserted claims, that may result in litigation against the Authority have been brought to your attention. All known actual or possible litigation and claims whose effects should be considered when preparing the financial statements have been disclosed to you and accounted for and disclosed in accordance with Code.

Laws and regulations

I confirm that I have disclosed to you all those events of which I am aware which involve known or suspected non-compliance with laws and regulations, together with the actual or contingent consequences which may arise therefrom.

The Authority has complied with all aspects of contractual agreements that would have a material effect on the accounts in the event of non-compliance.

Appendix A: Draft management representation letter

Fraud and error

I acknowledge my responsibility as Chief Finance Officer for the design, implementation and maintenance of internal control to prevent and detect fraud and error.

I have disclosed to you:

all the results of my assessment of the risk that the statement of accounts may be materially misstated as a result of fraud;

all knowledge of fraud or suspected fraud affecting the Authority involving:

- management and those charged with governance;
- employees who have significant roles in internal control; and
- others where fraud could have a material effect on the financial statements.

I have disclosed to you all information in relation to any allegations of fraud, or suspected fraud, affecting the Authority's financial statements communicated by employees, former employees, analysts, regulators or others.

Related party transactions

I confirm that all related party relationships, transactions and balances (including sales, purchases, loans, transfers, leasing arrangements and guarantees) have been appropriately accounted for and disclosed in accordance with the requirements of the Code. I have disclosed to you the identity of the Authority's related parties and all related party relationships and transactions of which I am aware.

Impairment review

To the best of my knowledge, there is nothing to indicate that there is a permanent reduction in the recoverable amount of the property, plant and equipment below their carrying value at the balance sheet date. An impairment review is therefore not considered necessary.

Charges on assets

All the Authority's assets are free from any charges exercisable by third parties except as disclosed within the financial statements.

Future commitments

We have no plans, intentions or commitments that may materially affect the carrying value or classification of assets and liabilities or give rise to additional liabilities.

Appendix A: Draft management representation letter

Subsequent events

I confirm all events subsequent to the date of the financial statements and for which the Code require adjustment or disclosure have been adjusted or disclosed.

Should further material events occur after the date of this letter which may necessitate revision of the figures included in the financial statements or inclusion of a note thereto, I will advise you accordingly.

Going concern

I confirm that I have carried out an assessment of the potential impact of the COVID-19 Virus pandemic on the Authority, including the impact of mitigation measures and uncertainties and I am satisfied that the going concern assumption remains appropriate and that no material uncertainty has been identified.

To the best of my knowledge there is nothing to indicate that the Authority will cease to continue as a going concern in the foreseeable future. The period to which I have paid particular attention in assessing the appropriateness of the going concern basis is not less than twelve months from the date of approval of the accounts.

Yours sincerely

Chief Finance Officer

Date.....

Appendix B: Draft audit report

Independent auditor's report to the North Yorkshire Police, Fire and Crime Commissioner Fire and Rescue Authority

Report on the audit of the financial statements

Opinion on the financial statements

We have audited the financial statements of North Yorkshire Police, Fire and Crime Commissioner Fire and Rescue Authority ("the Authority") for the year ended 31 March 2021, which comprise the Comprehensive Income and Expenditure Statement, the Movement in Reserves Statement, the Balance Sheet, the Cash Flow Statement, the Firefighters' Pension Fund Account and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21.

In our opinion, the financial statements:

- give a true and fair view of the financial position of the Authority as at 31st March 2021 and of its expenditure and income for the year then ended; and
- have been properly prepared in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities section of our report. We are independent of the Authority in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Chief Finance Officer's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Authority's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Chief Finance Officer with respect to going concern are described in the relevant sections of this report.

Other information

The Chief Finance Officer is responsible for the other information. The other information comprises the Annual Governance Statement and information included in the Statement of Accounts, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Executive summary

Status of audit

Significant findings

Internal control
recommendations

Summary of
misstatements

Value for Money

Appendices

Appendix B: Draft audit report

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of the Chief Finance Officer for the financial statements

As explained more fully in the Statement of the Chief Finance Officer's Responsibilities, the Chief Finance Officer is responsible for the preparation of the Statement of Accounts, which includes the financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21, and for being satisfied that they give a true and fair view. The Chief Finance Officer is also responsible for such internal control as the Chief Finance Officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The Chief Finance Officer is required to comply with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21 and prepare the financial statements on a going concern basis on the assumption that the functions of the Authority will continue in operational existence for the foreseeable future. The Chief Finance Officer is responsible for assessing each year whether or not it is appropriate for the Authority to prepare its accounts on the going concern basis and disclosing, as applicable, matters related to going concern.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. Based on our understanding of the Authority, we identified that the principal risks of non-compliance with laws and regulations related to the Local Government Act 2003 (and associated regulations made under section 21), the Local Government Finance Acts of 1988, 1992 and 2012, and the Accounts and Audit Regulations 2015, and we considered the extent to which non-compliance might have a material effect on the financial statements.

We evaluated the Chief Finance Officer's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls) and determined that the principal risks were related to posting manual journal entries to manipulate financial performance, management bias through judgements and assumptions in significant accounting estimates and significant one-off or unusual transactions.

Our audit procedures were designed to respond to those identified risks, including non-compliance with laws and regulations (irregularities) and fraud that are material to the financial statements. Our audit procedures included but were not limited to:

- discussing with management and the Police, Fire and Crime Commissioner the policies and procedures regarding compliance with laws and regulations;
- communicating identified laws and regulations throughout our engagement team and remaining alert to any indications of non-compliance throughout our audit; and
- considering the risk of acts by the Authority which were contrary to applicable laws and regulations, including fraud.

Executive summary

Status of audit

Audit approach

Significant findings

Internal control
recommendations

Summary of
misstatements

Value for Money

Appendices

Appendix B: Draft audit report

Our audit procedures in relation to fraud included but were not limited to:

- making enquiries of management and the Police, Fire and Crime Commissioner on whether they had knowledge of any actual, suspected or alleged fraud;
- gaining an understanding of the internal controls established to mitigate risks related to fraud;
- discussing amongst the engagement team the risks of fraud; and
- addressing the risks of fraud through management override of controls by performing journal entry testing.

There are inherent limitations in the audit procedures described above and the primary responsibility for the prevention and detection of irregularities including fraud rests with management and the Police, Fire and Crime Commissioner. As with any audit, there remained a risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal controls.

We are also required to conclude on whether the Chief Finance Officer's use of the going concern basis of accounting in the preparation of the financial statements is appropriate. We performed our work in accordance with Practice Note 10: Audit of financial statement and regularity of public sector bodies in the United Kingdom, and Supplementary Guidance Note 01, issued by the National Audit Office in April 2021.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Report on the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources

Matter on which we are required to report by exception

We are required to report to you if, in our view we are not satisfied that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2021.

We have not completed our work on the Authority's arrangements. On the basis of our work to date, having regard to the guidance issued by the Comptroller and Auditor General in April 2021, we have not identified any significant weaknesses in arrangements for the year ended 31 March 2021.

We will report the outcome of our work on the Authority's arrangements in our commentary on those arrangements within the Auditor's Annual Report. Our audit completion certificate will set out any matters which we are required to report by exception.

Responsibilities of the Authority

The Authority is responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

Auditor's responsibilities for the review of arrangements for securing economy, efficiency and effectiveness in the use of resources

We are required under section 20(1)(c) of the Local Audit and Accountability Act 2014 to satisfy ourselves that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. We are not required to consider, nor have we considered, whether all aspects of the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

Appendix B: Draft audit report

We have undertaken our work in accordance with the Code of Audit Practice, having regard to the guidance issued by the Comptroller and Auditor General in April 2021.

Matters on which we are required to report by exception under the Code of Audit Practice

We are required by the Code of Audit Practice to report to you if:

- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014;
- we make a recommendation under section 24 of the Local Audit and Accountability Act 2014; or
- we exercise any other special powers of the auditor under sections 28, 29 or 31 of the Local Audit and Accountability Act 2014.

We have nothing to report in these respects.

Use of the audit report

This report is made solely to the members of North Yorkshire Police, Fire and Crime Commissioner Fire and Rescue Authority, as a body, in accordance with part 5 of the Local Audit and Accountability Act 2014 and as set out in paragraph 44 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. Our audit work has been undertaken so that we might state to the Police, Fire and Crime Commissioner Fire and Rescue Authority those matters we are required to state to them in an auditor’s report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the North Yorkshire Police, Fire and Crime Commissioner Fire and Rescue Authority, as a body, for our audit work, for this report, or for the opinions we have formed.

Delay in certification of completion of the audit

We cannot formally conclude the audit and issue an audit certificate until we have completed:

- the work necessary to issue our assurance statement in respect of the Authority’s Whole of Government Accounts consolidation pack;
- the work necessary to satisfy ourselves that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources.

Appendix C: Independence

As part of our ongoing risk assessment we monitor our relationships with you to identify any new actual or perceived threats to our independence within the regulatory or professional requirements governing us as your auditors.

We can confirm that no new threats to independence have been identified since issuing the Audit Strategy Memorandum and therefore we remain independent.

Appendix D: Other communications

Other communication	Response
Compliance with Laws and Regulations	<p>We have not identified any significant matters involving actual or suspected non-compliance with laws and regulations.</p> <p>We will obtain written representations from management that all known instances of non-compliance or suspected non-compliance with laws and regulations whose effects should be considered when preparing financial statements have been disclosed.</p>
External confirmations	<p>We did not experience any issues with respect to obtaining external confirmations.</p>
Related parties	<p>We did not identify any significant matters relating to the audit of related parties.</p> <p>We will obtain written representations from management confirming that:</p> <ul style="list-style-type: none"> a. they have disclosed to us the identity of related parties and all the related party relationships and transactions of which they are aware; and b. they have appropriately accounted for and disclosed such relationships and transactions in accordance with the requirements of the applicable financial reporting framework.
Going Concern	<p>We have not identified any evidence to cause us to disagree with the Chief Finance Officer that North Yorkshire Police, Fire and Crime Commissioner Fire and Rescue Authority will be a going concern, and therefore we consider that the use of the going concern assumption is appropriate in the preparation of the financial statements.</p> <p>We will obtain written representations from management, confirming that all relevant information covering a period of at least 12 months from the date of approval of the financial statements has been taken into account in assessing the appropriateness of the going concern basis of preparation of the financial statements.</p>

Appendix D: Other communications

Other communication	Response
<p>Subsequent events</p>	<p>We are required to obtain evidence about whether events occurring between the date of the financial statements and the date of the auditor’s report that require adjustment of, or disclosure in, the financial statements are appropriately reflected in those financial statements in accordance with the applicable financial reporting framework.</p> <p>We will obtain written representations from management that all events occurring subsequent to the date of the financial statements and for which the applicable financial reporting framework requires adjustment or disclosure have been adjusted or disclosed.</p>
<p>Matters related to fraud</p>	<p>We have designed our audit approach to obtain reasonable assurance whether the financial statements as a whole are free from material misstatement due to fraud. In addition to the work performed by us, we will obtain written representations from management, confirming that</p> <ul style="list-style-type: none"> a. they acknowledge their responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud; b. they have disclosed to the auditor the results of management’s assessment of the risk that the financial statements may be materially misstated as a result of fraud; c. they have disclosed to the auditor their knowledge of fraud or suspected fraud affecting the entity involving: <ul style="list-style-type: none"> i. Management; ii. Employees who have significant roles in internal control; or iii. Others where the fraud could have a material effect on the financial statements; and d. they have disclosed to the auditor their knowledge of any allegations of fraud, or suspected fraud, affecting the entity’s financial statements communicated by employees, former employees, analysts, regulators or others.
